The Authorised User for the Service detailed above was considered and it was resolved that:

1. The Authorised User is authorised without further confirmation, and notwithstanding the existing Bank Mandate, which remains fully in force, to give the Bank instructions by means of the Service.
2. This includes:
  - (i) Providing details of and making payments of any amount to any payee (and to authorise the payment of any charges which may be incurred) and to debit any of the Company's accounts with the cost notwithstanding that any such debit may cause the account to become overdrawn.
  - (ii) To instruct the Bank to include any account of the customer in the Service.
  - (iii) To instruct the Bank to exchange one currency for another at a rate offered by the Bank.
  - (iv) To enroll in and use any further application or service which may be accessed or authorised by the Authorised User through the Service in accordance with any terms applying from time to time and to provide the Bank with instructions to make payments and other transactions and incur costs through the application or service and debit any of the Company's accounts accordingly notwithstanding that any such debit may cause the account to become overdrawn.
3. It was acknowledged that the Authorised User may also use the Service to access and carry out transactions on his/her personal accounts using the same security codes as those used for the Company's accounts. It was also acknowledged that, by allowing the Authorised User to set up his/her personal accounts on the service, the Authorised User would have the ability to use the service to make transfers from the accounts of the Company to the Authorised User's personal accounts.
4. The Authorised User confirms that they have no objection to their personal information being used as described.
